Speechmaking Assembly

One child from each class from years 3 to 6 was selected to deliver a speech in assembly this week. The children displayed impressive speaking skills and confidence in delivering their speeches about children's rights and their local community.

Three children are now going to represent the school at a special speechmaking celebration on 21st June at Wanstead High School.

Thank you to those parents who came to support their children at the assemblies and well done to those children who showed such amazing skills in public speaking!

Summer Picnic

The Summer Picnic is on Friday 28th June on the main playground from 3.00pm till 5.30pm. Last year's picnic was a great success and fun for all. Please bring your own picnic to enjoy in the sun (we hope!) or enjoy the snacks and refreshments that will be provided.

There will be lots of other activities to enjoy, including a variety of exciting games on different stalls. Most stalls will cost £1 a go with a prize winner every time. Bouncy castles will also be available at a cost.

Come and join us for a great afternoon of fun!

Every newsletter we share some of the children's rights (called articles) set out in the UN Convention on the Rights of the Child. All the rights – in child friendly language – can be found at <https://www.unicef.org/rightsite/files/uncrcchildfriendlylanguage.pdf>

This issue we have Articles 19 to 21:

Article 19

You have the right to be protected from being hurt and mistreated, in body or mind.

Article 20

You have the right to special care and help if you cannot live with your parents.

Article 21

You have the right to care and protection if you are adopted or in foster care.

Tuesday 25th June: 3.30 - 4.00

Maths Day 2019: ADDITIONAL learning to the power of fun

A big thank you to all children and staff for making Maths Day on 24th May an enjoyable and creative experience. Children liked the dressing up, the carousel of activities, the quiz in the assembly and singing their maths songs. Older children designed games for the younger ones and together they mastered maths in an interactive and fun style. What a great and empowering way to lift the maths spirit in our school!

Non-Uniform Day Friday 28th June

Children from across the school have represented Eastbury at a range of sporting events this year. On Friday 28th June we would like all children to come to school in a sports kit and donate £1 so that we can purchase an Eastbury team kit that the children can wear at competitions. Thank you for your continued support.

British Values Day

On Friday 7th June the children and staff dressed in red, white and blue to celebrate British Values Day. The children created beautiful posters and wrote wonderful poems about democracy, respect, individual liberty, tolerance and mutual respect. It was a great way to both celebrate and learn the importance of these values.

Multiplication Check

The Government is introducing a new times table multiplication check for all year 4s. We wish all our year 4 children success in the first National Times Tables Check this month. Keep calm and glide through the 25 questions at the speed of 6 seconds for each!

You can practise with your child at home using one of these websites:

<https://urbrainy.com/mtc/test>

<https://www.timestables.co.uk/multiplication-tables-check/>

Best of luck!

Put your devices down and 'get outside' in the summer holidays!

As the summer holidays are just around the corner, we thought it would be a

great idea to encourage young people to put their devices down this summer break and enjoy the wonders of the outdoors.

#WakeUpWednesday, are sharing their 'Screen addiction' guide to arm parents with the knowledge to be able to identify and support young people who may be spending too much time on their devices.

Votes for Schools

This week's Votes for Schools topic has been 'Should everyone get a vote on the new Prime Minister?' The children really enjoyed debating this question and the vast majority (85%) though the public should get a vote. This compares with 70% of children nationally.

Eastbury Radio

Every Friday afternoon from 2.40pm to 3.10pm Eastbury radio broadcasts live to the world. The radio show is packed with entertainment, the latest school news and children sharing their excellent work and interesting stories. We have listeners from as far away as Canada and Mexico – so don't miss out next Friday! You can listen to the radio show by clicking on the link on the front page of the school website.

Stars of the Week Certificates

Every week one child to be the star of the week is selected from each class and receives a certificate in assembly. These certificates celebrate how that child has demonstrated one or more of the Eastbury values: creativity, respect, aiming high, teamwork, enjoyment and resilience.

The stars for last weeks are listed in the table below - well done to all of them!
