Succeeding together

International: Year 4 will be learning about 'China'. We will look at how to communicate in Mandarin and study the following topics such as greetings, food and time. The assembly for the year group will be based on this theme.

Other subjects: In RE, we will continue to learn about Judaism and build on our understanding

In PHSE, we are learning about our Dreams and Goals, through discussion and team building activities.

ART: Art will be linked to our IPC topic and International Week Topic.

Year 4 IPC Unit They Made a Difference

PE: This term year 4 will be developing a range of Gross Movement Skills such as jumping, skipping and hopping. We will also be working on dance which will be incorporated with our International Country.

Music: This term we will be participating in a range of different music activities related to our music scheme – Charanga.

Computing: This term year 4 will be looking at Internet safety. We will learn to use technology safely, responsibly and respectfully. We will recognise what is acceptable and unacceptable behaviour when using technology. We will understand ways of reporting concerns.

Language of the term: Spanish

Spring Term: 2019
