

IPC: Our IPC unit this term is 'Myths and Legends'. This unit gives us a chance to learn about different mythical creatures and characters. We will explore similarities and differences between the different myths. We will create Trump cards for mythical creatures and the children will have a chance to dress up as their favourite mythical character for our exit point.

PE: This term we will be developing new gymnastics skills, using a range of actions, body shape and balances that we can include in our performance. We will consider changes in level, speed and direction when we create gymnastics sequences. We will also evaluate our own and each other's work and think of ways to improve.

Music: In Music we will use the Charanga scheme of work for year 5. We will be listening to a range of music from the listening centre and evaluating it.

Year 5 IPC Unit Myths and Legends

Computing:

In Computing we will learn about input/output devices.

We will learn how to use a keyboard correctly and learn to type using Dance Mat Typing software.

Science: Our science topic is called 'The circle of Life'. We will learn what a life cycle is and investigate the differences in animal life cycles. We will discuss what factors influence the different lengths of animal life cycle.

Other subjects: In RE we will study Sikhism. We will be learning about how people show their commitment and different levels of commitment. We will learn about celebrations in Sikhism.

In **PHSE** our topic is 'Celebrating differences'. We will be learning about direct and indirect bullying. We will be discussing and sharing ideas about how to support each other and children who may be bullied.

ART: We will link our art to our IPC topic and produce drawings during our COD sessions. We will also look at Greek pottery.

D&T: We will link D&T to our English lesson; instructional text, and will be making cakes.

Language of the term: Spanish
