

**IPC:** Our IPC unit this term is 'AD 900'. We will be exploring different civilisations that existed at that time. We will be learning about the Mayans; their cities and buildings, their religious beliefs, their writing and number systems and their Arts. We will also look at the Islamic civilisation and the Golden Age of Islam. We will discover what holds an empire together, what makes it great and what reasons there are for the fall of an empire.

**Science:** Our science topic is called 'Get sorted'. In this module we will learn to identify, compare and classify a variety of materials according to both their properties and their uses. We will plan and carry out different enquiry types to answer questions about materials and their uses. We will work individually and in groups to collect data and conduct fair tests.

**Music:** In Music we will use the Charanga scheme of work for year 5. One class will learn to play the recorder. We will learn songs for our Easter performance and add music and actions.

Year 5 IPC Unit  
AD 900

**Computing:**

In Computing we will design and create a game using Scratch. We will learn about programming and create our own digital characters and background. We will also learn about Internet Safety and how to use the Internet responsibly.

SCRATCH

**PE:** We will learn Invasion Games (Basketball/Netball). We will learn control and movement. We will use a wide range of skills, actions and equipment to demonstrate improvement in physical education.

**Other subjects:** In RE we will re-visit Sikhism. We will be learning about how people show their commitment. We will also learn about Christianity and focus on the Easter story.

**PHSE:** Our topic is 'Dreams and Goals'. We will research different jobs in our community and think about what we want achieve when we grow up.

**ART:** We will link our art to our IPC topic and produce drawings during our COD sessions. We will learn about and make Mayan masks. We will also learn about Islamic art.

**D&T:** we will link D&T to IPC. We will look at food from the Mayan culture and make Corn Tortilla wraps and hot chocolate.

**Language of the term:** Spanish
