# THE PROGRAMME

A unique chance to try innovative and creative activities that are offered to all of the children who attend. With the benefit of access to top quality facilities such as the fitness centre and STEM centre we are able to offer interactive options that enable children to learn new skills whilst having fun. Activities include: Multi-sports, Film Club, Quizzes, Healthy Eating workshops, Team Challenges, Treasure Hunts & more.

The STEM Centre is a state-of-the-art, purpose-built creative space for all age groups. It has been designed to showcase the many skills and careers built on science, technology, engineering and maths.

Our Kids Camps are a great way for children to spend their holiday time with our staff delivering a broad range of activities to suit all interests and skill sets to ensure everyone can get involved and have fun.

Based within the college site, we have a secure and safe environment with security and DBS checked staff.

Refreshments will be provided but we do ask that you provide your child with a packed lunch for each day. There is also a canteen and vending machines for children to purchase additional food and snacks should they wish.

**Tuesday 28th May - Friday 31st May**

**Cost / full day: £12**  
9am to 4pm

**Cost / half day: £8**  
9am to 12.45pm / 12.45pm to 4pm

FOR AGES **5-11**

## BOOK IN ADVANCE

**020 3667 0147**
