

# Maths for Families

## KEY STAGE 1 – FAMILY NUMERACY

Do you want to better understand how your child is taught maths in school?

Would you like to be able to help your child with their homework?

Is your child in Year 1 or Year 2? Get tips on how to help your child actively learn and progress in maths.

Come and join us **online** for a taster session and to find out more about the **Free** Maths for Family Courses.

To enrol, call the college now on:

**020 8270 4722**

**Family Learning Maths for Parents Tasters:**
