

We have four reception classes with caring and experienced teachers. Our children's results in reception are consistently above national average.

Reception has a special outside area filled with exciting resources and activities to build skills and develop learning.

We also have a new Reading Hut where pupils can enjoy books with their friends.

Eastbury Primary is a nursery to year 6 school.

### Our Values:

At Eastbury our aim is for every child to reach their full potential. Our six values are at the centre of our teaching. These are:

Respect

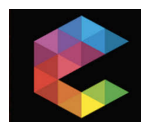

Resilience

Creativity

Aiming High

Teamwork

Enjoyment

**School Phone Number: 02084779910**

**Email: [office@eps.barking-dagenham.sch.uk](mailto:office@eps.barking-dagenham.sch.uk)**

## Our Parent Welcome Centre

Our new Parent Welcome Centre provides a space for parents and families to meet for coffee and find out information about how to support their child, as well as school events.

## Starting School

It really does help your child to settle if you could practise the following things at home before he or she starts in the Reception class:

- Dressing and undressing unaided.
- Tying and untying shoelaces.
- Hanging clothes on a peg.
- Washing and drying hands and face.
- Using the toilet properly
- Using a knife and fork

Share books together, enjoy a story and talk about the characters and what has happened in the story.

Play games that include sharing and working together to encourage manners and respect for others.

Talking and singing to help grow communication skills and discussion.
