ParentPay
COUNT ON US

Use ParentPay to easily pay for meals if your child is in Year 3, 4, 5 or 6. Top up your child's account online at www.parentpay.com or at any local PayPoint.

Not sure of your ParentPay account details? Just ask at your school office. By logging in to ParentPay, you can also see what your child eats each day at school.

A Head start for a better future

We deliver healthy and nutritious meals to your children, giving them the best possible chance in their academic lives. Research has shown that children who eat a healthy school meal, perform better in class, are better behaved, have more energy and are less likely to have issues around obesity as they grow and develop.

Universal Infant Free School Meals

All infant pupils are entitled to a free, nutritious school meal at lunchtime! This means it is even easier to enjoy our menus, which are freshly prepared by our catering staff and include lots of fruit, salads and vegetables. All infants get Universal Infant Free School Meals automatically and they will save you at least £399 a year per child.

Free School Meals

Your child may also qualify for a free school meal and if they do, their school will receive on average, £1,320 in pupil premium for the year, which can have such a huge positive impact for their school. You can find out if they are eligible by applying online at www.lbbd.gov.uk/freeschoolmeals, completing a paper form at any 'one stop shop' or phone 0208 227 2970.
