

Eastbury Primary New

Thank you so much for sending your child's picture, poem or art work which supports our wonderful NHS. Please keep sending these to the class teacher so that we can display them on the school's website. They really do look amazing!

To My Mum

To everyone that lives in this universe
I want you to know that my mum is a nurse

She goes and helps people during the night
And tries really hard to make things right

The nurses are helpful, kind and they inspire us
So please stay home and be safe from the virus

Not only the NHS is full of hero's
But also everyone that helps in this fight
Let's all together bring the numbers down to zero
And make our future happy, healthy and bright!

By Emy

April 2020

Dear parents/carers,

Following the changes to the recent coronavirus outbreak situation, I am writing to keep you up to date with the latest developments we have put in place to support you and your family.

The school is continuing to do everything we can to support your child during this time, including remaining open for the children of key workers.

Home Learning

Your child's learning is important to us and we'll continue to help them learn. Your child is expected to complete the home learning packs the teachers prepare each week. I am sure that you have had some challenges during your home learning experience so far and are doing a fantastic job supporting your child.

Every week the new home learning packs are loaded onto the school website ready for you and your child to start on Monday. Remember if you need any help or support, please contact your child's teacher using Class Dojo or use the email addresses below:

eps_nursery@eps.barking-dagenham.sch.uk	year5@eps.barking-dagenham.sch.uk
eps_reception@eps.barking-dagenham.sch.uk	year6@eps.barking-dagenham.sch.uk
year1@eps.barking-dagenham.sch.uk	eps_sunshine@eps.barking-dagenham.sch.uk
year2@eps.barking-dagenham.sch.uk	deafarp@eps.barking-dagenham.sch.uk
year3@eps.barking-dagenham.sch.uk	specialeducationneeds@eps.barking-dagenham.sch.uk
year4@eps.barking-dagenham.sch.uk	wellbeing_mentalhealth@eps.barking-dagenham.sch.uk

Supermarket Vouchers

The government has offered to support pupils who are entitled to Pupil Premium Funding. If you have already successfully applied for Pupil Premium Funding the school emailed you last week to confirm your email address, and you will receive your Supermarket Vouchers this week. If you have not been contacted by the school but believe you are eligible please use this link to apply to the London Borough of Barking and Dagenham:

<https://www.lbdb.gov.uk/financial-support-for-pupils-and-students>

You will be then sent a letter confirming that your child is entitled to Pupil Premium Funding which you can then give to the school so that we can order the vouchers for you. **Please remember to apply for each child in your family.**

Online Safety

During this time, we are aware that you are using the internet and a range of websites to support your child at home. It is therefore vital that you take the necessary steps to ensure that your child's online safety is protected at all times. Here are some recommended resources and you can use to ensure they stay safe online:

[London Grid for Learning](#) - for support for parents and carers to keep their children safe online

[Net Aware](#) - for support for parents and carers from the NSPCC

[Thinkuknow](#) - for advice from the National Crime Agency to stay safe online

Future Plans

We will reopen as soon as the government advises us that it is safe to do so. When this is the case, we will inform you by text and email. We will continue to keep you up to date with any further information that we receive. We understand that these changes will impact you and your family. Thank you for your patience and support at this time and if there is anything you feel we can do to support you, please contact us.

Stay home and stay safe.

With very best wishes to you and your family.

Lisa Shepherd

Headteacher

Reminders:

All support for Home Learning will be available on the school welcome page,
including packs from previous weeks

Year group emails are available on the school home learning page

Please stay in contact with your child's class teacher through Dojo

The screenshot shows the Eastbury Primary School website. At the top is a navigation bar with links: Welcome, Key Information, Curriculum, Media, and Facilities Hire. Below the navigation bar is a large banner image of five children in school uniforms. The main content area has a dark background with white and red text. A prominent red link says 'Please click here for the Home Learning Page'. Below this, it says 'Eastbury supports the NHS' and 'Welcome to Eastbury Primary School'. A yellow link says 'Ofsted 2019'. A text box states: 'We are delighted to inform you that the Ofsted report was published on 6th March which has judged the school as 'good' in all areas. The report can be viewed on the right.' To the right of this text is a thumbnail of the Ofsted report. Further right is a 'Key Dates' section for March, listing '20th: School close at 3:15pm'. Below the Ofsted report is a large text box with a welcome message and school information. To the right of this are two video thumbnails: 'Reading hut op...' and 'EPS Pro...'. The footer contains various logos including RE, Music Mark, Ofsted Good School 2019, and Partnership Learning, along with the school's Twitter handle and the slogan 'Succeeding together'.

Eastbury supports the NHS

Welcome to Eastbury Primary School

Ofsted 2019

We are delighted to inform you that the Ofsted report was published on 6th March which has judged the school as 'good' in all areas.

The report can be viewed on the right.

Thank you for visiting our website. Here you can learn a little more about our fantastic school.

At Eastbury Primary School we aim to provide a wonderful environment for all of our children to succeed and thrive in. We are a warm, welcoming community set in beautiful buildings and grounds which really enhance our children's learning. We believe that every child should achieve, even exceed their potential whilst feeling safe and happy every day. Along with our fabulous, modern buildings, we boast an excellent and dedicated team of teachers and support staff who strive every day to get the very best from the children in our care.

Feel free to explore our site and learn a little more about us. Better still, if you are a potential parent or member of our community, then please do come and meet us. Myself or a member of our team would be only too happy to show you around.

Advice for parents during coronavirus

Whilst coronavirus is infectious to children it is rarely serious. If your child is unwell it is likely to be a non-coronavirus illness, rather than coronavirus itself.

Whilst it is extremely important to follow Government advice to stay at home during this period, it can be confusing to know what to do when your child is unwell or injured. Remember that NHS 111, GPs and hospitals are still providing the same safe care that they have always done. Here is some advice to help:

RED

If your child has any of the following:

- Becomes pale, mottled and feels abnormally cold to the touch
- Has pauses in their breathing (apnoeas), has an irregular breathing pattern or starts **grunting**
- Severe difficulty in breathing becoming agitated or unresponsive
- Is going blue round the lips
- Has a fit/seizure
- Becomes extremely distressed (crying inconsolably despite distraction), confused, very lethargic (difficult to wake) or unresponsive
- Develops a rash that does not disappear with pressure (the '**Glass test**')
- Has testicular pain, especially in teenage boys

You need urgent help:

Go to the nearest A&E department or phone 999

AMBER

If your child has any of the following:

- Is finding it hard to breathe including drawing in of the muscles below their lower ribs, at their neck or between their ribs (**recession**) or **head bobbing**
- Seems dehydrated (dry mouth, sunken eyes, no tears, drowsy or passing less urine than usual)
- Is becoming drowsy (excessively sleepy) or irritable (unable to settle them with toys, TV, food or picking up) - especially if they remain drowsy or irritable despite their fever coming down
- Has extreme shivering or complains of muscle pain
- Babies under 3 months of age with a temperature above 38°C / 100.4°F
- Infants 3-6 months of age with a temperature above 39°C / 102.2°F
- For all infants and children with a fever above 38°C for more than 5 days.
- Is getting worse or if you are worried
- Has persistent vomiting and/or persistent severe abdominal pain
- Has blood in their poo or wee
- Any limb injury causing reduced movement, persistent pain or head injury causing persistent crying or drowsiness

You need to contact a doctor or nurse today.

Please ring your GP surgery or call NHS 111 - dial 111

The NHS is working for you. However, we recognise during the current coronavirus crisis at peak times, access to a health care professional may be delayed. If symptoms persist for 4 hours or more and you have not been able to speak to either a GP or 111, then take your child to the nearest A&E

GREEN

If none of the above features are present

- You can continue to provide your child care at home. Information is also available on NHS Choices
- Additional **advice** is available to families for coping with crying of well babies 
- Additional **advice** is available for children with complex health needs and disabilities.

Self care

Continue providing your child's care at home. If you are still concerned about your child, call NHS 111 - dial 111
