

## Welcome Back

It was so lovely to see so many of our year 1 and year 6 children return on Monday after such a long break. Everyone arrived with a smile and they have had a great week learning with their teacher and friend's.

We are really looking forward to our nursery and reception children joining us on Monday and have lots of exciting activities planned for them.

## Government Update

The government also announced this week that no further year groups will be attending school until September. Only children in nursery, reception, year 1 and year 6, plus key worker and vulnerable children will attend school until the end of summer term.

## Home Learning

The Eastbury team will continue to provide Home Learning Packs for the children that remain at home. Look out for our "Celebration of Children's Work" page which we will be launched on our website very soon. We want to share the wonderful work the children have done both at home and in school.

## **Virtual Tour**

We have created a “Virtual Tour” of the school for children that are joining us in September. Please have a look on our website so that your child can see what the school looks like inside.

## **Early Years**

Eastbury has been the first choice for many of our families and we only have 3 spaces left in reception. Nursery currently has some spaces for different sessions throughout the day. Please contact the office on 0208 477 9910 or [office@eps.barking-dagenham.sch.uk](mailto:office@eps.barking-dagenham.sch.uk) if you or your friends or family would like their child to join us.

## **Everyone Matters**

Recent events both in the USA and the UK have had a huge impact on communities across the globe. I am incredibly proud to lead a school which reflects our local community and recognises that everyone has the right to be treated equally and fairly. Our aim is to support all our children to be the best they can possibly be. We celebrate diversity in our school and encourage children to develop positive attitudes towards all faiths, beliefs and ethnicities. As a school we stand against racism and injustice. Everyone does matter!
