## Christmas COVID reporting arrangements

Dear Parents / Carers,

The Government has asked parents to contact their child's school if their child develops:

- COVID symptoms between Friday 18<sup>th</sup>– Sunday 20<sup>th</sup> December
- has a positive test between Monday 21<sup>st</sup>– Wednesday 23<sup>rd</sup> December.

The symptoms are:

- persistent cough
- high temperature
- loss of taste and smell

Once your child has received a positive test can you please send an email to [covidpositive@eps.barking-dagenham.sch.uk](mailto:covidpositive@eps.barking-dagenham.sch.uk) and provide the following information:

Childs name:

Class:

Date when symptoms started:

Date of Test:

Picture of test result

This will then enable us to contact staff and parents whose children have been in close contact and provide them with information about the need to isolate. The COVID email account will close at 4pm on the 23<sup>rd</sup> December.

**Please do not contact the school if your child develops symptoms after Sunday 20<sup>th</sup> December. Please contact NHS Test and Trace.**

Thank you once again for working with us to keep everyone as safe as possible.

Best wishes

Mrs Shepherd  
Headteacher
