Dear Parents/Carers,

I hope you and your family are keeping well.

Home Learning

We have set up a Home Learning page on our website which has lots of help and advice for parents. Please take a look:

<https://www.eps.barking-dagenham.sch.uk/home-learning-page/>

This will be updated regularly to provide you with as much support as possible. We have also included the new BBC timetable for parents that do not have access to the internet.

To support your child with their home learning please keep them in a regular routine. This includes being ready for online registration at 9am and going to bed at their usual time.

I know that many of you have more than one child trying to access home learning. Our teachers have recorded lessons so that your child can watch these at a different time during the day if needed. If your child is unsure about something this also gives them an opportunity to watch the lesson again. Parents have told us that they have found this really helpful.

Teachers have shared with me that the number of children completing work at home continues to increase and they really are producing some fantastic work! You are all doing such a great job supporting them and I know that by working together we can provide the best learning experience possible. I hope you enjoyed reading the new Celebration of Home Learning Newsletter.

Celebration Assemblies

Live Celebration Assemblies have been enjoyed by both pupils at home and those attending school. This is a great way for year groups to celebrate together. Please see the timetable below:

School Meals

The catering team have asked me to remind you that we are serving hot meals for those children attending school. Please use parent pay in the usual way to pay for school lunches. If your child is entitled to free school meals, they can also order a hot meal.

Supermarket Vouchers

The government have launched a new Supermarket Voucher Scheme for **all children that are entitled to pupil premium funding**. Please make sure you have registered each child to receive these. Click on this link if you believe your child may be entitled to this funding.

Pupil Premium: <https://eforms.lbbd.gov.uk/article/2046>

School Opening Times

Please remember if your child is attending school learning starts at 9am and children should be collected at 3pm. We currently have no after school club for late pick up, so it is really important that you arrive on time as your children become cold and distressed.

Thank you once again for your continued support.

With very best wishes
