Wednesday, 31 March 21

Dear Parent/carer,

The children have worked so hard since returning to school. They have been eager and willing to learn everyday and have enjoyed celebrating World Book Day and Science Week. As the weather improves we are also providing more opportunities for the children to learn outside the classroom ensuring our amazing facilities are used as much as possible.

Following a ballot organised by the School Council. The outside stage area has been named "The Arts Yard" and this week the children have been performing poetry in the sunshine.

I hope you enjoyed the opportunity to speak to your child's teacher via zoom or talk to them on the phone about their progress and wellbeing. I would like to thank you on behalf of the teachers for the lovely comments that you gave during these meetings.

I sent you a letter on Monday from the Director of Public Health who explained the importance of having your child tested before they return to school on the 19th April. This will help us to keep everyone as safe as possible and the children learning in school.

Can I also ask that your children do not play on the playground equipment after school as this has resulted in items being broken and we do not want children to get hurt.

I hope you have an enjoyable Easter break with your family and we look forward to seeing you all again on Monday 19th April.

Very best wishes

Mrs Shepherd
Headteacher
