Dear Parents,

Is your child due to start school in September 2021?

If your child was born between **1 September 2016 and 31 August 2017**, they can start school in September, and you should have applied for their place by Friday 15 January.

If you have missed the deadline, please don't worry, there is still time and you can apply by visiting www.lbld.gov.uk/school-admissions now.

It's important to know that getting your child a place at any school is not automatic, so you still need to apply, even if they are already at a school nursery or they have a brother or sister at that school.

If you need to apply, please go to the [school admissions page](#).

You can also check out this [video](#) to help you through the process.

If you need any help or have any questions, please contact the school office.

Best wishes
