school

Monday, 1 March 21

Dear Parents/Carers,

We are all really excited about your children returning to school on the 8<sup>th</sup> March. If you have any concerns do not hesitate to contact your child's class teacher or the school office. We can then reassure you that school really is the best place for them to learn. Please remember that it is no longer possible to teach your child at home.

### Testing

To help us keep everyone as safe as possible please ensure that you take your child for a test before they return to school on the 8<sup>th</sup> March. Unfortunately we are unable to provide tests for your children. See the link below with all the information you need:

<https://www.lbbd.gov.uk/get-a-coronavirus-test>

### Laptops

If you have been provided with a laptop during the school closure please return these to the school office next week.

### Booster Classes

We are very aware of how much school your children have missed and we will start our booster classes once again from the 15<sup>th</sup> march. Your child's teacher will contact you with further details about the day and time.

### World Book Day

We will be celebrating World Book Day on Wednesday 10<sup>th</sup> March. This is always an enjoyable day for everyone. Remember that you can design your own costume rather than buy one.

We understand that some children may be anxious. It is therefore really important to speak to them about how they feel about returning to school and start to establish bedtime routines. I look forward to seeing you all on Monday.

Very best wishes

Mrs Shepherd
