

Gardening Donations from Asda

Asda kindly donated some plants and gardening equipment for the children to use in the garden centre. This was collected by Mr Akram, our School Business Manager. A huge thank you to them for their generosity. We have also purchased some outdoor furniture so that learning can take place outside.

Friends of Eastbury Fund Raising

All monies raised from the Christmas shop and visits to Father Christmas were used to buy 18 tablets for the Deaf ARP, Sunshine Room and Nursery. The children were delighted and will be able to continue to develop their IT skills.

We plan to sell ice creams every Friday after school and will use the money raised to buy more equipment for your children.

Booster Classes

I know you will join me in thanking the teachers for organising after school booster classes which have really made a difference to your children's learning. Can I please remind parents how important it is for your children to attend every week so that they do not miss new skills and knowledge.

Playground Safety

Unfortunately, children are climbing unsupervised on playground equipment which has resulted in items being broken. We are also concerned about your child's safety. Please make sure that they are with you at all times after you have collected them from their teacher.

Masks and social distancing

A huge thank you to all the parents that are wearing masks on the school playground this helps to keep everyone as safe as possible. If the government advice about wearing masks changes, we will let you know. At the moment the guidance remains unchanged.

School Census on Thursday 20th May

The catering team will have a special menu on the 20th May to encourage as many children as possible to have a school lunch. The government use this information to decide how much money they give to the school for the reception and KS1 children's lunches next year. We would really appreciate your support on this day!

Deaf ARP

Our Deaf ARP has had a major refurbishment. The classroom has been repainted, a new toilet built and an outside play area created. A new play house, mud kitchen and a wall of mirrors have also been installed. The children are delighted with their new learning areas in and outside of the classroom.

British Values Day

On Friday 7th May we will be holding our annual celebration of British Values, which are:

- Democracy
- Rule of law
- Individual liberty
- Mutual respect for tolerance of those with a different faiths and beliefs and for those without faith

To help us celebrate together we would like the children to wear red, white and blue. We would also be grateful if parents could donate £1 to support our fund raising for the children.
