We were excited to be back in the classrooms reading our whole class stories once again and finally getting the chance to delve into our beloved home reading book trolleys once more! Many of you have already been honoured with winning the weekly reading raffle ticket well done and keep reading everyone!

## programme/young-readers-story-club/

Take a look at the National Literacy Trust's Young Readers' Programme. There you will find a collection of short films featuring some of our favourite storytellers, poets, writers and illustrators telling exciting stories. Each video has a different theme and a fun challenge to complete.

## Top 10

We want to create an Eastbury Book Awards List of our school's favourite books.
Please send Miss Hodges a message detailing your favourite book. Include your reasons for why you love it and a little information on what it's about. We will gather the results and create our Top 10 Challenge to see who can read every book on the list!
