

# Moving to secondary school in September 2022

If your child was born between 1 September 2010 and 31 August 2011

This move is not an automatic process. You will need to apply online for a place at the secondary-phase schools you would like your child to go to if they were born between the dates shown above.

Apply online from 1 September 2021 and the closing date for all applications is 31 October 2021.

- Look out for our 'quick guide', which your child's Barking and Dagenham school will give you the first week your child returns in September.
- The admissions process is explained in full within the e-booklet 'Moving to secondary school in 2022' which will be available on our website from 1 September 2021.
- Find out what our 12 secondary-phase schools have to offer at their open evenings or mornings. Due to the social-distancing rules in place because of the Covid-19 pandemic, please book your tour in advance online. Links will be available from each school's website from 1 September 2021. You may have a long wait if you do not pre-register.
- Watch our presentation about the admissions process on YouTube. The presentation gives you important information about applying for a place at a secondary-phase school and is available on our website.

## Options when your child reaches Year-9 (13 and 14 year olds)

When deciding which secondary schools to apply for, please keep in mind that children can change to another type of school in Year-9 called Technical training or studio schools. For full details, see the e-booklet 'Technical and training schools' which is published on our website from 1 September 2021.

We have a UTC school in this borough called Elutec in Dagenham. Please see ELUTEC's website in August for the date and time of their open day event.
