

OUTDOOR LEARNING AT EASTBURY

Learning Inside & Out!

CONTENTS OF THIS ISSUE

LEARNING OUTSIDE!

Our aim is to teach children that learning can occur everywhere! Have a look at the high-quality learning taking place outside the four walls this term.

YEAR 2 EXPLORERS

Year 2 became explorers. They travelled the world using different modes of transport and in different weathers. They sheltered in tents and discovered that their food was running out!

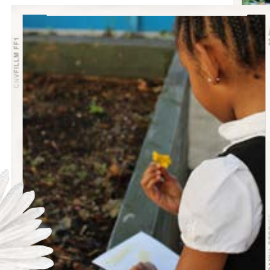

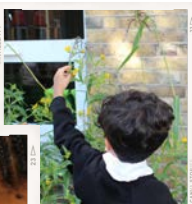

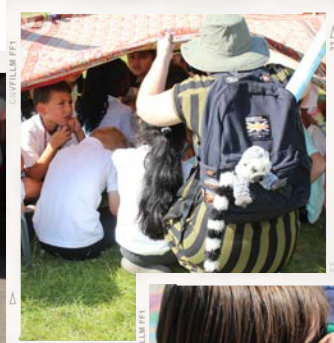

YEAR 3 HUNTERS & GATHERERS

Year 3 have been learning about the hunters and gatherers during the Stone Age. The children used natural resources to create stone age artwork.

YEAR 1 MATHEMATICIANS

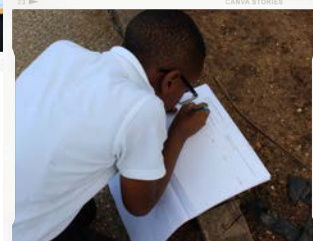

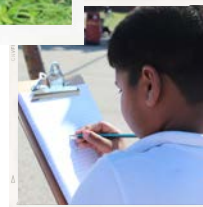

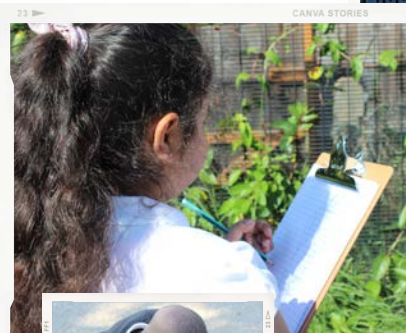

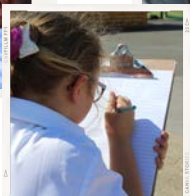

Year 1 have been enjoying their maths lessons outside – learning how to count and order numbers to 10!

Year 3 also explored the Garden Centre and found berries, flowers and leaves that gatherers might have collected.

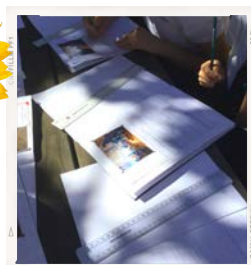

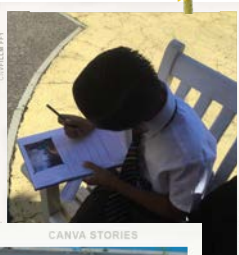

YEAR 4 ARTISTS

Year 4 enjoyed drawing leaves and annotating the features. The children learnt that leaves have veins like us!

Year 4 have also been looking for similarities and differences between deciduous trees.

YEAR 6 ART

Year 6 have been analysing paintings by artists during the wars. They enjoyed working in the Garden centre.

YEAR 5 GREEK ART

“

The children enjoyed drawing modern day Olympic sports on a pot following the Ancient Greek style

Teacher - Mr Luxmoore

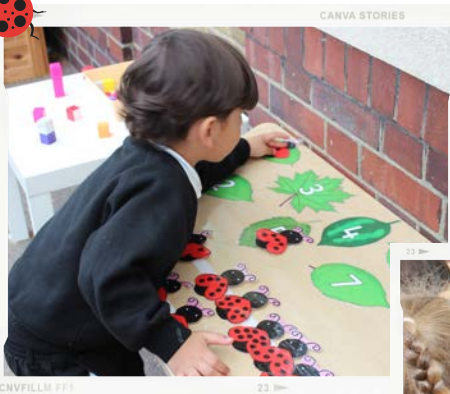

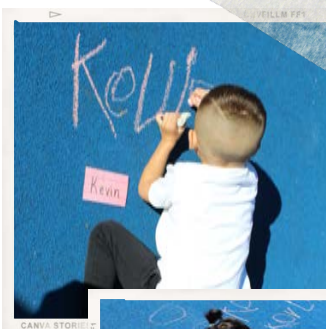

RECEPTION - OWL BABIES

Reception have been learning all about families! The children have enjoyed reading 'Owl Babies', role playing the stories and counting leaves!

NURSERY WORK

The children in Nursery have been counting to 10 and have been learning to write their names!

“
'Five Minutes Peace' a
story time favourite in
year 1

Teacher - Miss Abwooli
