- Do you need a safe space to access a computer and use the internet?
- Are you looking for a quiet location to pay a bill, do some shopping, book tickets or apply for that free bus pass?

At the Adult College we offer **free drop-in Digital Support Sessions** where you **can book a slot** to borrow one of our **internet connected computers** for your own use. We even have a friendly face on hand to help if you have a question.

[Our Digital Support Sessions are in the college buildings and run during Term time as follows:](#)

**Parsloes Avenue, Dagenham. Tuesdays, between 1.00-3.30pm**  
**Ripple Road, Barking. Wednesdays, between 9.30-12.00pm**

Ofcom estimates that at least 100,000 households say cost is why they are unlikely to gain internet access in the next year. If you don't have a device of your own, or can't afford the internet, give us a call to book your slot and use ours.
