

# OUTDOOR LEARNING at Eastbury

Learning Inside & Out!

YEAR 1 SCIENCE

## CONTENTS OF THIS ISSUE

### LEARNING OUTSIDE!

Our aim is to teach children that learning can occur everywhere! Have a look at the high-quality learning taking place outside the four walls this term.

### YEAR 1 SCIENCE

Year 1 have been identifying and naming a variety of common animals found around school. Which animal do you think they saw most of? See on the left.

### YEAR 2 RE & SCIENCE

In R.E year 2 held a class debate about different problems in the world and why they're important.

In Science the children went outside to look for things that are living, non-living or that once lived. See below.

Gathering and recording data

Science

YEAR 2 CHILDREN

Year 2 went outside as part of Anti-bullying week and wrote an act of kindness that they had written on a leaf, which we attached to the 'kindness' tree

## RECEPTION BEAR HUNT!

In English, Reception have been reading the story 'We're going on a Bear Hunt' by Michael Rosen. The teachers set up an outdoor bear hunt – the children were thrilled!

The children also enjoyed making food for the bears in the outdoor area!

*The bears have been found!*

## YEAR 3

Year 3 have been learning their 3, 4 and 8 timestables. They enjoyed a treasure hunt in the Garden Centre to find the matching letters to solve the riddle. See below.

YEAR 3 CHILDREN

*Treasure Hunt*

## NURSERY

In our outdoor maths area, the children were able to recognise numbers and shapes and then find the matching pair.

Nursery have also been exploring our reading area outdoor!

## YEAR 1

In Year 1, the children worked in the outside area to match numbers and quantities using cubes. They have also been practising skipping poems!

*Number work*

*Skip poems*

# YEAR 5 EARTHQUAKE

In year 5, children have also been exploring using compasses in Geography. They have taken the learning outside of the classroom and navigated through the school, using the compass to set directions to get from A to B.

MR LUXMOORE

## YEAR 4

Compass work

Year 4 have been using actions to explore and understand poetry. See below.

YEAR 4 POETRY

Geography

## YEAR 6

Year 6 have been learning to all about ratio and solving ratio problems. Below is their outdoor ratio tables.

Maths

In English, the children acted out scenes from Robin Hood, playing the role of Prince John and Sir Guy of Gisborne.

YEAR 6 CHILDREN

English

Science

In science the children had to find and record all of the different living organisms in the school building which they would then classify.
