Sports Premium Action Plan

2021 – 2022

Head Teacher: Lisa Shepherd
Sports Premium Lead: Khaled Subhan
PE Lead: Eki Connolly

What is Sports Premium Funding?

In April 2013, the Department of Education, Health and Culture, Media and Sport announced new funding of £150 million to support the delivery of PE and school sport.

Physical activity has numerous benefits for children and young people's physical health, as well as their mental wellbeing (increasing self-esteem and emotional wellbeing and lowering anxiety and depression), and children who are physically active are happier, more resilient and more trusting of their peers. Ensuring that pupils have access to sufficient daily activity can also have wider benefits for pupils and schools, improving behaviour as well as enhancing academic achievement.

Ofsted's new Inspection Framework, which came into effect from September 2019, gives greater recognition to schools' work to support the personal development of pupils, such as the opportunities they have to learn about eating healthily and maintaining an active lifestyle. Inspectors will expect to see a delivery of a broad, ambitious education, including opportunities to be active during the school day and through extra-curricular activities. At Eastbury we plan to use the Sports Premium Funding to secure improvements in the following 5 key indicators.

- 1. Engagement of all pupils in regular physical activity**
- 2. Profile of PE and sport is raised across the school as a tool for whole-school improvement.**
- 3. Increased confidence, knowledge and skills of staff in teaching PE and sport.**
- 4. Broader experience of a range of sports and activities offered to all pupils.**
- 5. Increased participation in competitive sport.**

Funding for 2021 - 2022

	2018 - 2019	2019 - 2020	2020 - 2021	2021 - 2022
