Dear Parents / Carers,

Changes to the school day from Monday 3rd October 2022

The government has advised schools that children in Years 1-6 must be in school learning for 32 hours each week. To meet this expectation we have changed the start of the school day for all children and end of the day for children in Years 1-6.

Start of the school day

- Gates will **open at 8:30 am** and children will go to their class
- Gates will **close at 8:45am** and learning will start
- Any child arriving **after 8:45am will enter through the late room and receive a late mark**

End of the school day

- All children from **Years 1-6 will finish school at 3:15pm**
- The children in **Reception will finish school at 3:05pm**

By increasing the length of the school day, your child will have more time to learn which will support their progress. Please ensure that your child arrives at school before 8:45am and is collected at the end of the school day on time.

Best Wishes
