

OUTDOOR LEARNING

at Eastbury Primary!

AUTUMN ISSUE

This is our last outdoor learning newsletter of 2022! The year has flown by but the learning continues! Our aim is to teach children that learning can occur everywhere! Have a look at the high-quality learning taking place outside the four walls this autumn term.

Nursery

Outdoor Exploring

The children in Nursery have been enjoying their new water area and art easel. The children love exploring all the areas in the outdoor spaces and always enjoy listening to stories in the outdoor reading area.

Reception

Autumn Walk

Our Reception children walked to Mayesbrook park to find autumn objects and look at seasonal changes in the environment. The children did a fantastic job finding different autumn coloured leaves, different twig sizes and sycamore seeds. They also saw lots of animals such as: geese, pigeons, puppies, a squirrel and a beautiful butterfly!

Year 1

Maths

Year 1 children have been learning their number bonds to 10 and 20. The children enjoyed writing their number bonds on the ground using chalk. They have also been comparing numbers using key words such as greater than, less than and equal to.

Year 2

Religious Education

Year 2 have been learning all about the Christmas Story in RE. The children enjoyed working as a team and role playing the key moments of the birth of Jesus.

Year 3

Shared Reading/Science

In a year 3 shared reading group, the children were reading a non-fiction book all about volcanoes! The children were then able to outside and create a peps and mentos volcano! What an explosion! Their faces were full of excitement.

“
Wow!
A volcano in a
bottle!
”

Year 4

Maths and English

Year 4 have enjoyed completing their maths addition outside using chalk!

The children also came across a mysterious 'egg' in the garden centre! Rumours of a 'giant' animal hatching have rippled through the school! Year 4 have written newspaper reports all about the breaking news!

Year 5

Maths

Year 5 children have been exploring compass points in Geography. They took their learning outside of the classroom by creating their own directions, using compass points to get to different places in school, from their classrooms!

Year 6

The National Army Museum

Year 6 had a fantastic time at the The National Army Museum.

The children explored historic artefacts to discover more about the London Blitz and the people who worked to keep civilians safe.
