## NEW & INCLUSIVE READS!

This term we have bought **MORE** diverse and inclusive children's books so every child can see themselves and their friends, in the books that they read. Diverse books encourage empathy and inclusion, and can teach children about people and events in history that are all too often forgotten.

Have a look!

## Celebrating Asian Voices!

The new books celebrate asian culture and heritage. They contain characters from Asia and are written by critically acclaimed Asian authors! These books will be added to book corners across the school.
