

OUTDOOR LEARNING

at Eastbury!

Take a look at our most recent newsletter, which highlights the various outdoor learning experiences taking place throughout the summer term!

RECEPTION

The children in Reception have been learning about places around the world and they have taken their knowledge outdoors. They travelled using different modes of transport to get to their destinations, they made their own transport with wooden blocks and they even performed songs from different countries. It was wonderful to hear them talking about all the different worldwide destinations they were imagining travelling to.

YEAR 2 FIREFIGHTERS!

THE GREAT FIRE OF LONDON

Year 2 met with firefighters from Barking fire station to learn about The Great Fire of London. They looked at modern equipment and tested the 1666 method of extinguishing a fire. It helped them understand the challenges of fighting fires back then.

YEAR 1 EXPLORERS

In year 1 the children had an enjoyable visit to Mayebrook Park. As part of our science topic, they had a great time exploring the plants and investigating them.

YEAR 3 INVESTIGATIONS

Year 3 have been doing scientific investigations. We created a solar oven using tinfoil and black card. We investigated the best place to put a solar oven. The chocolate melted in the box facing the reflecting light.

YEAR 5 SCIENCE

Year 5's science topic this term has been 'Earth and space.' In this weeks lesson, we learned how the earths tilt helps us to understand when it is night and day and that the shadows will that are created can help us to tell what time it is. Here are our sun dial that we made, can you tell what time it was when we went outside?

YEAR 4 BUCKINGHAM PALACE

In year 4, we have been learning all about the British Monarchy. We enjoyed visiting Buckingham Palace as part of our history topic!
