Parent Support Group

A six-week programme for parents/carers of young people (11-25 years) struggling with their mental health.

Like-minded parents/carers are listened to and reassured whilst receiving tips and techniques for supporting their young people.

This interactive online group comprises two-hour sessions on mental health signposting, effective two-way communication, dealing with anxiety, increasing resilience, parenting styles and self care.

We help parents/carers to empower each other through information and support.

Sessions are delivered in an engaging way with lots of opportunities for small group discussions, all in a safe and non-judgemental space.

If you, or someone you know, would like to speak with one of the Parents' Team, please get in touch.

**The sessions take place on:
Wednesday Evenings
Online on Zoom
Between 6 - 8pm**

I know that I am not alone, having met some wonderful parents going through similar things
