Dear Parents/Carers,

Re: Ofsted 2024

Following the recent Ofsted Inspection, I am delighted to share with you that the report has been published today, confirming that Eastbury Primary School remains a "good" school. Please see the link to access the full report: <https://files.ofsted.gov.uk/v1/file/50248872>.

The inspection, which took place over two days, reviewed every aspect of the school, including talking to staff, children and parents.

Both the leadership team and governors believe that the report reflects the quality of education and experiences your children are offered at Eastbury. It also outlines the improvements that have been made since our last inspection.

We are very proud of your children who were described as articulate, respectful and kind by the inspectors. They could also see how much they enjoyed coming to school.

I would like to take this opportunity to thank you for your continued support.

Very best wishes

Mrs Shepherd  
Headteacher
